ASEE LEAD Division 2025 Annual Conference News

With the 2025 ASEE Conference just around the corner, I wanted to send out some details on what LEAD is doing, and I wanted to provide a single spot you can access Conference-related links.

- Need a **place to stay**? [Here](#) is ASEE's conference-sanctioned list: These rates were only valid until 5/30. You may follow the 'OPEN' link, but it is forwarded to the 'backup' reservation agency, so rates will likely differ.
- Need to **register**? [Here](#) is the link to your ASEE login, where you can buy the tickets you need.
- Want to come to the **social** Tuesday night (the correct answer is 'yes')? [Login](#) to your ASEE and add a ticket to your basket. It'll cost a little extra (\$25), but I promise it will be worth it.
- The **overall schedule for ASEE** may be found [here](#) (e.g., when technical sessions are held, and when poster sessions are held).
- The **detailed online ASEE program** may be found [here](#) (be patient—this site seems to crash).
- Wondering about **LEAD events** during the conference? Check out the attached schedule, at the end of this newsletter.

ASEE LEAD Elections: 2025-2026

Below, you'll find the current list of officers. **Highlighted** positions will be open for elections this year. Please reach out to anyone on the exec team if you are interested in supporting the work of the division in a greater way. The voting process runs most smoothly if we have all candidates by end of day Monday, however nominations from the floor are accepted. That said, please review the [by-laws](#) if you are considering running for the Program Chair elect.

- 1) Division Chair: Meg Handley mhh11@psu.edu
- 2) Program Chair/Division Chair-Elect: Kenneth Lamb kwlamb@cpp.edu
- 3) **Program Chair elect (1-year term, 1st of a 6 year cycle)**: Rebecca Komarek rebecca.komarek@colostate.edu
- 4) Treasurer: Elizabeth Melvin lizmelvin@lsu.edu
- 5) **Membership & Nominating Chair** (2-year term): Brett Tallman brettallman@hotmail.com
- 6) **Secretary/Webmaster** (1-year term): Brian Novoselich brian.novoselich@westpoint.edu
- 7) Outreach liaison/ CDEI Representative (acting): Robert Amponsah ramponsah@mail.smu.edu

In addition, we're trying to include more of you in the work of the LEAD division. So, if an elected position isn't in the cards, reach out to the exec team, and we'll find a way to leverage your interests and expertise.

Gordon Institute of Engineering Leadership Division Activity

Who: Gordon Institute of Engineering Leadership in conjunction with the ASEE LEAD Division Executive Committee

What: Conducts a hybrid event in the month of October open to ASEE LEAD division members. Hosted by the Gordon Institute at Northeastern University

When: 15-16 October 2025.

Where: Northeastern (Boston Campus)

Why: This events serves a fourfold purpose: 1. Cross-leveling of best practices, 2. Validate/invalidate (and by extension update) the division's strategic objectives, 3. Recruiting activity in support of the division and 4. Off-cycle division activity to build momentum going into the next conference.

Topics: 1. Intersection of AI & Leadership, 2. Integration of systems thinking into Engineering Leadership, 3. Review of the strategic plan for the division specifically relooking the strategic objectives and 4. And more, to be determined...

As always, feel to reach out to me with any requests or questions: bretttallman@hotmail.com, Brett Tallman, Membership Chair
