Abstracts Due on October 1, 2024

The call for papers is open and it originally stated that the deadline to upload abstracts would be Nov 6. The ASEE abstract website has always had the correct due date, so we apologize for the confusion our call may have cause (call linked [here](#)). However, we wanted to make this announcement to confirm the deadline to submit your abstract is October 1, 2024.

ASEE LEAD Division 2024 Annual Conference News

I hope you all had as an engaging and meaningful experience in Portland as I did this year. We had some amazing presentations at the division sessions, including some good partnerships with other divisions. I was struck by the deep talent and superb research that I saw on display at our Conference this year. Thank you to all!

ASEE LEAD Elections: 2024-2025

In the wake of the business meeting, please join me in congratulating several newly-elected officers (additional info on the team may be found [here](#)):

Secretary: Brian Novoselich

DEI Representative: Robert Amponsah

Program Chair Elect: Rebecca Komarek

In addition, the exec team consists of a couple newly appointed positions:

Director of Scholarly Activities: Darren Pierre

Awards Chair: Jacqueline Ashley

In addition, many of you reached out with interest to be more involved this coming year—thank you so much, as this is how our division moves forward. We will be including your voices as we continue our work this year for the division. That said, please don't be shy about reaching to any of us with any particular interests you might have in furthering the engineering leadership field.

With the semester under-way, this section is understandably empty...

**Does your program or department have an open position that you'd like to announce in the next ASEE LEAD newsletter? Are you an ASEE LEAD Division member? ASEE will post all positions requested by ASEE members (for engineering leadership development related positions and others) and all engineering leadership development-related positions (even if requested by someone not a member of ASEE LEAD). Email Brett Tallman at bretttallman@hotmail.com so we can get the open position posted in the next ASEE LEAD newsletter! Open position announcements will run as long as the position is open and your institution is accepting applications.
